Acknowledgments

The *TIGER/Line®Files, 1995 Technical Documentation* was produced by the Geography Division under the guidance of Joel L. Morrison, Division Chief, and Robert A. LaMacchia, Assistant Division Chief for Geocartographic Services.

The *TIGER/Line®Files, 1995 Technical Documentation* was written and edited by Robert A. LaMacchia, Richard B. Birdsong (Computer Support Branch), Joseph L. Marinucci (Geographic Areas Branch), Leo B. Dougherty (Products and Services Staff), and Charlene K. Bickings (Products and Services Staff). This documentation was based on the 1992 and 1994 versions of the *TIGER/Line®Files Technical Documentation* developed in the TIGER Operations Branch by Andrew H. Flora, Robert M. Milligan, and Richard B. Birdsong under the guidance of Charles E. Dingman.

Programming for the 1995 TIGER/Line® files was completed in the TIGER Systems Branch by Sonya R. DeSha, Joan H. Meiller, and Karen A. Todd under the guidance of Beverly A. Davis, now Chief of the TIGER Mapping Branch. Lourdes Ramirez, Chief of the Geographic Areas Systems Branch, and the staff of the Production Operations Branch under the guidance of Gerard P. Boudriault, Chief provided other programming and production support.

Charlene K. Bickings provided layout and design support and Paul T. Manka provided technical production support in the Products and Services Staff under the guidance of Leo B. Dougherty, Chief.
